INSURANCE REQUIREMENT:

All minor children who will be riding at this event, must have a valid waiver:

ONLY parents or LEGAL guardians may sign the waivers, not friends, or relatives. Minor waiver forms can be given out to be executed by the parents/legal guardians away from the event, however they must be notarized.

The release must be the original form with two color printing, not photocopies.

Forms are available upon request: call 454-9190 or email: monaehnes@bresnan.net to receive the required form.

Requirements:

All participants must be paid members of MTVRA (sorry, complimentary memberships aren't adequate for our insurance). Minor participants must have waiver signed by parents or legal guardian.

All OHVs must have valid OHV decals and USFS approved spark arrestors.

Street legal OHVs with license plates and licensed operators may use forest roads.

Unlicensed vehicles and/or riders can ride trails with a valid OHV decal. Riders 12 and under will be trailered to trailhead.

All OHVs MUST meet 96dba stationary sound limit. Don't worry, if your bike is stock it will pass easily. If you have an aftermarket pipe and it's loud, don't bring it!

Rules:

Remember, we're guests of the Helena and Butte clubs and our actions could affect their opportunities in the future. We will be on our best behavior here and wherever we ride!

Ride only on legal trails. Off-trail use is illegal and will not be tolerated.

No riding will be allowed in or around the camp or the area. Disorderly behavior will not be tolerated. Loud music or parties aren't allowed.
